

Deli Case

- Featuring a Smart Temperature Control optimizing and reducing energy consumption.
- Includes 4 stainless steel shelves and offers 5 levels of exhibition.
- Double panoramic curved front glass
- Floor and counter made of stainless steel
- Double glazing on the sides
- LED Lighting
- Maintenance-free condenser

TEM150L-UL

Available in three colors:

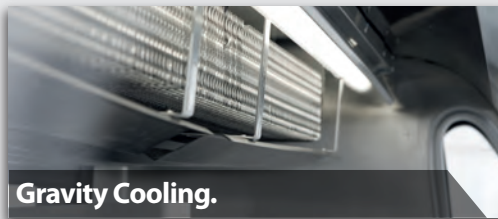

Black

White

Stainless Steel

Deli Case TEM150L-UL Technical Specifications

Capacity(ft3): 21
Capacity (L): 594
Weight (Kg/Lb): 151.8Kg / 334Lb
Shelves quantity: 4 (exhibition)
Refrigerant Type: R134a
Evaporization temperature : -12°C / 10.4 °F
Condensation temperature: 45°C / 113°F
Defrost Method: Compressor Break Time
Optimal Temperature: 0° a 4°C / 32 a 40 °F
Nominal Voltage[V]: 127
Plug Type: NEMA-5-15P ⓘ
Electric Cable Length: 1.9 mts (6ft)
Nominal Current[A]: 5.7
Frecuency[Hz]: 60
Lighting Type: LED 🌍
Compressor (HP): 1/4
Condenser: Forced Ventilation
Evaporator: Natural Convection
Extension Method: Capillary tube
